INSPIRE ♦ EMPOWER ♦ INNOVATE

Ancam Solutions Company Ltd. (**ANCAM**) developed from practical beginnings to the team of Combined Service Professionals who provide *MANAGEMENT, ENGINEERING and INTEGRATION* for a wide range of businesses across North America.

Solutions naturally result when we work together with clients **INSPIRING** creativity, **EMPOWERING** decisions based on proven principles and **INNOVATING** solutions for even the most difficult challenges.

RECREATION RESORT SOLUTIONS

ANCAM assists owners and managers with operations, planning and specialized maintenance activities.

ANCAM has an extensive network of associates and affiliates to build the team that you need to determine your best plan forward.

Services include but are not limited to:

- ♦ Business plan research and preparation
- ♦ Destination development planning
- ♦ Development planning—winter, summer and real estate
- ♦ Equipment assessment
- ♦ Destination strategic assessment
- ♦ Financial feasibility assessment
- ♦ Funding acquisition service
- ♦ Human resources development
- ♦ Market analysis—primary and secondary tourism market research, demand forecasting
- ♦ Marketing plan development
- ♦ Operational assessments—organization, products, finance, human resources, marketing and communication

ANCAM is proud to announce a partnership with Sylvain Audet in:

RESORT DEVELOPMENT SOLUTIONS

Our mandate is to be the preferred resource for areas requiring specialized consulting skills to enhance your area's performance and profitability.
